

# Instruction Set 2

## Step 1: Assembling HST

Using the HST tutorial posted on the main MQ website and the fabric you cut in Set 1 Step 1, you will need to make the following combinations:

- Background and Light = make 18 HST
- Light and Medium = make 8 HST
- Dark and Background = make 2 HST

The HST should measure  $3\frac{1}{2}$ " x  $3\frac{1}{2}$ " when you have finished trimming them.

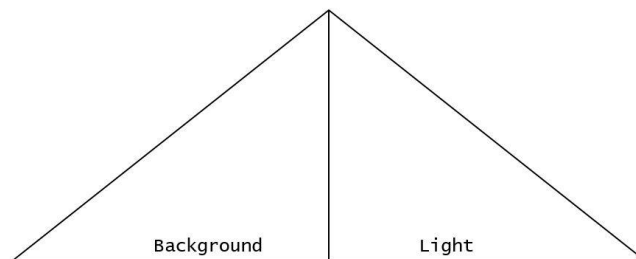

## Step 2: Cutting instructions

Take a  $3\frac{3}{4}$ " square of Light from Set 1 Step 1 and make a cut from corner to corner diagonally to make 2 triangles. Repeat for all (32)  $3\frac{3}{4}$ " Light squares to make a total of (64) triangles.

Repeat for each the (32)  $3\frac{3}{4}$ " Background and (32)  $4\frac{1}{4}$ " Dark squares.

## Step 3: Assembling QST, Part 1

Using the triangles from Step 2, arrange a Light triangle next to a Background triangle like this:

Pin and sew the triangles together so the seam runs vertically to the top; press toward the darker fabric.

Repeat for a total of (64) Background/Light units.

## Step 4: Post Your Progress

Take a picture of your HSTs and partial QSTs and post to the Facebook Group!
