Pin, sew, and press.

Instruction Set 7

Step 3: Adding 2nd Border Set

A. Using the (2) $3\frac{1}{2}$ " x $48\frac{1}{2}$ " Light strips you cut in Set 6: Step 8, arrange one on either side of your Step 2 unit.

Pin, sew, and press.

B. Using the (2) $3\frac{1}{2}$ " x $56\frac{1}{2}$ " Light strips you cut in Set 6: Step 8, arrange one on either side of your Step 3A unit.

Pin, sew, and press.

Step 4: Creating the Partial Snow Balls, Part 1

1. Take (1) $1\frac{3}{4}$ " Light and (1) $3\frac{1}{2}$ " Background square from Set 6: Step 8.

A. Using a marking pen/pencil, draw a line diagonally on the **WRONG SIDE** of the $1\frac{3}{4}$ " light square.

B. Line up the marked light square and the $3\frac{1}{2}$ " background square right sides together as shown.

Pin and sew on the marked line.

C. Trim both pieces approximately $\frac{1}{4}$ " away from the stitching (see picture).

D. Press open toward the light (small square) fabric.

You have made a Partial Snow Ball Unit (PSB). It does not matter which corner you use for the PSB because they will be rotated to the correct positions later on.

Instruction Set 7

2. For this step, please refer to the instructions for either TWIN or KING to determine how many of each unit to make. You will be using both the 1 ¾” Light squares and the 1 ¾” Medium squares along with the 3 ½” Background squares that you cut in Set 6: Step 8.

IF YOU ARE MAKING

KING SIZE QUILT	TWIN SIZE QUILT
Make (56) Light and Background PSB.	Make (12) Light and Background PSB.
Make (56) Medium and Background PSB.	Make (16) Medium and Background PSB.

Step 5: Assembling HST

For this step, please refer to the instructions for either TWIN or KING to determine how many of each unit to make. Using the HST tutorial posted on the main MQ website and the fabric you cut in Set 6: Step 8, you will need to make the following combinations:

IF YOU ARE MAKING
