

# Instruction Set 9

## Step1: Assembling the Twisted Rope Corners

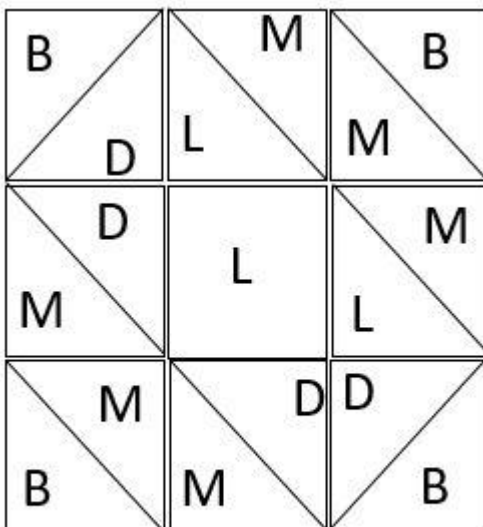

For this step, please refer to the diagrams to arrange the pieces. You will be using HSTs and 3 ½" Light squares. Pay close attention to placement.

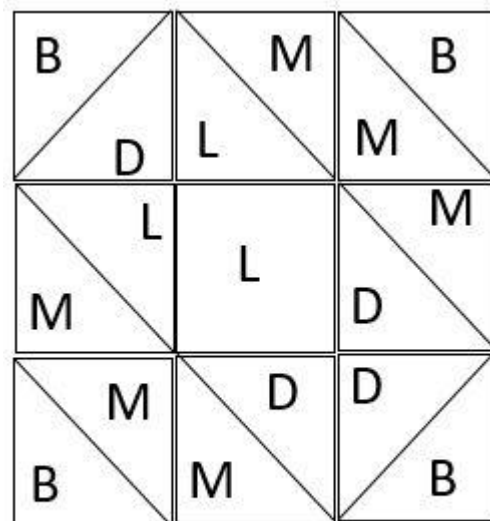

Upper left

Upper Right

Lower Left

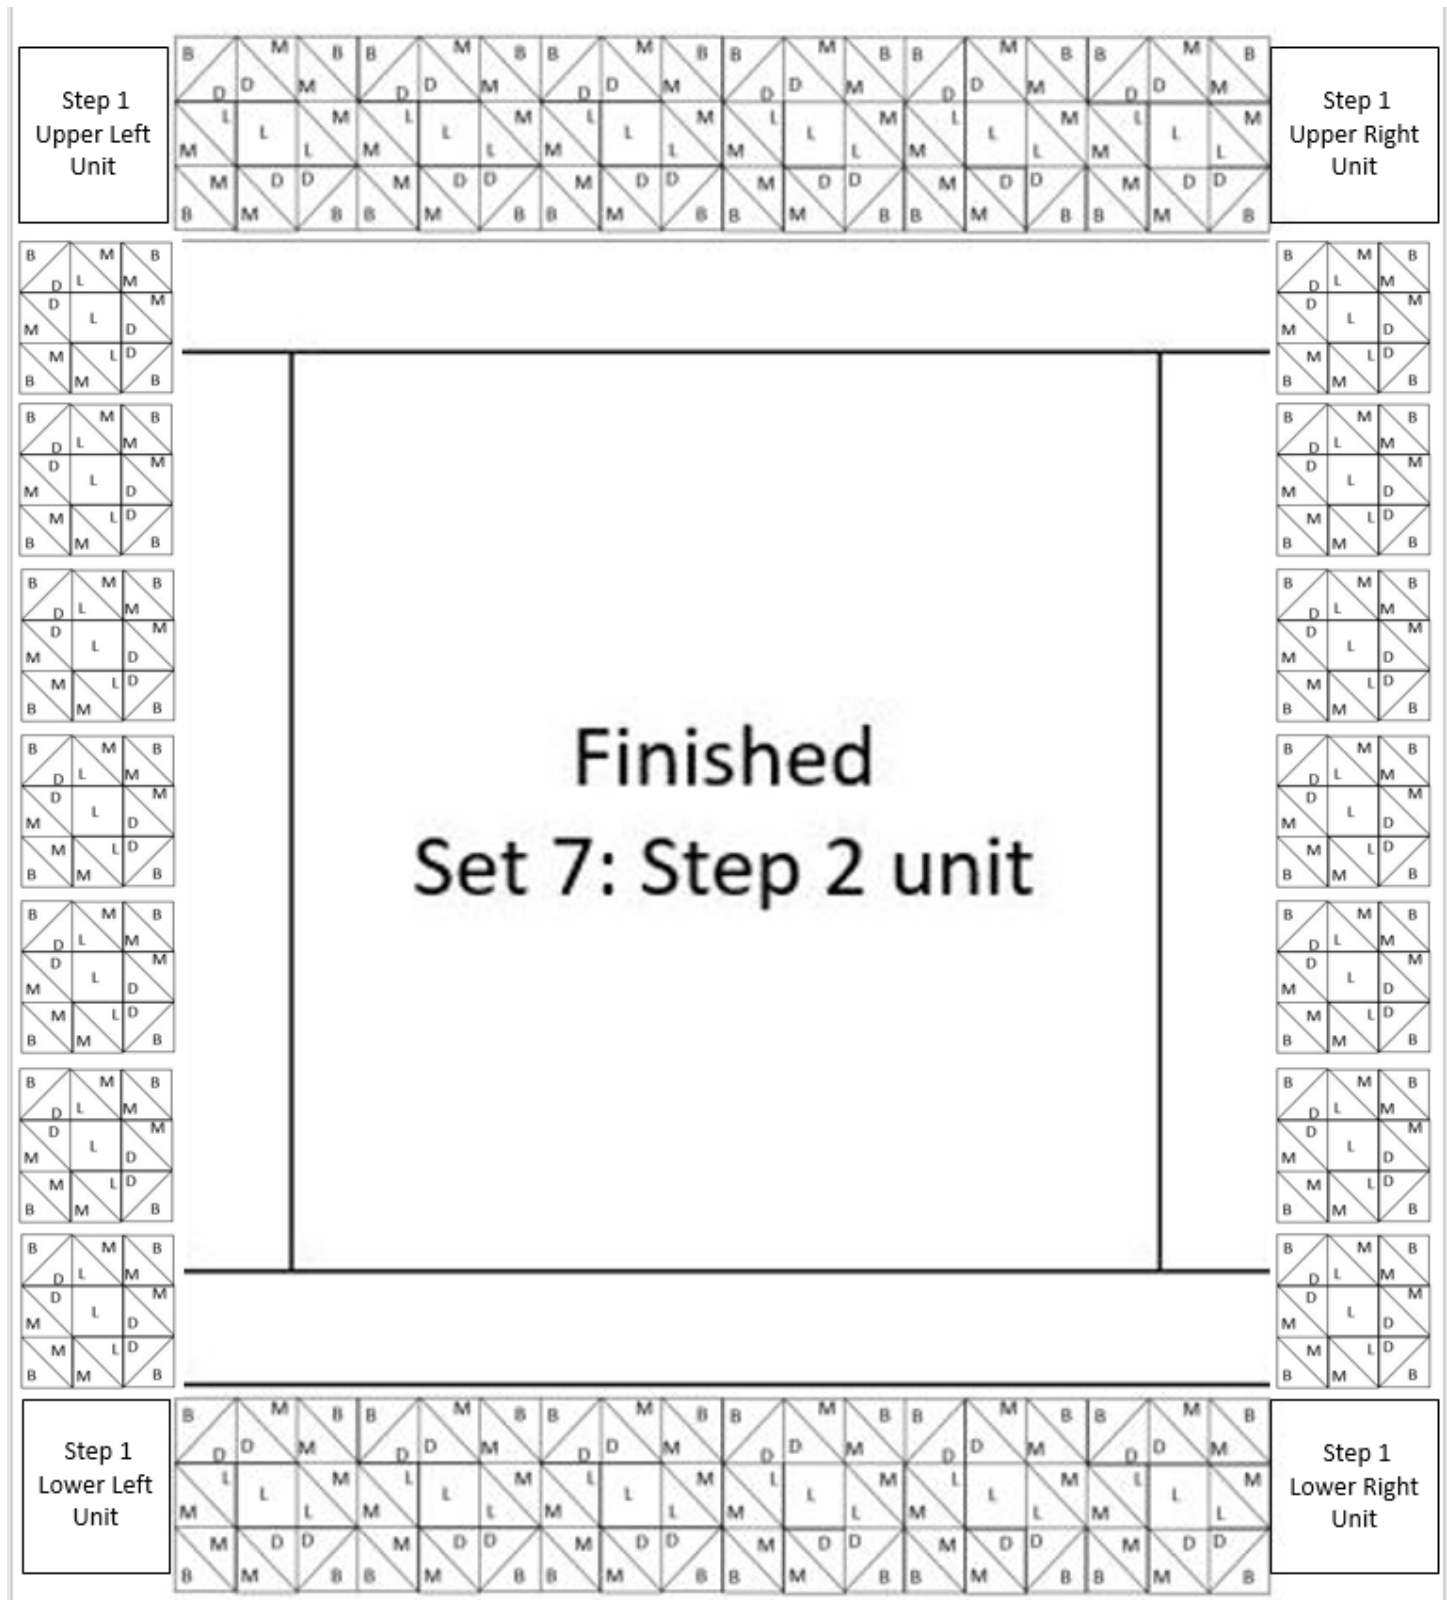

Lower Right

When your corners are laid next to the rows you've already made and attached, it should appear as though there are spirals going around a light fabric border.

## Step 2: Attaching the Twisted Ropes Side Rows and Corners

Arrange your Set 8: Step 1 unit, your Set 8: Step 3 units, and your corner units from the last step as shown. Pin, sew, and press.

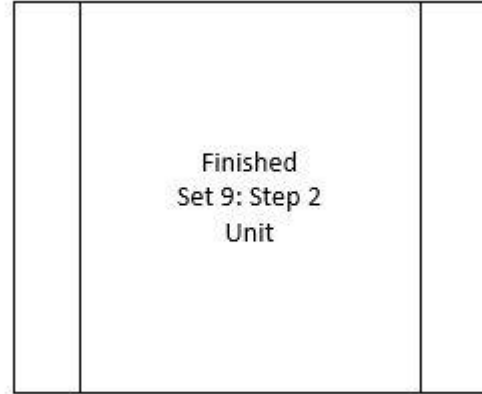

# Instruction Set 9

## Step 3: Adding 3<sup>rd</sup> Border Set

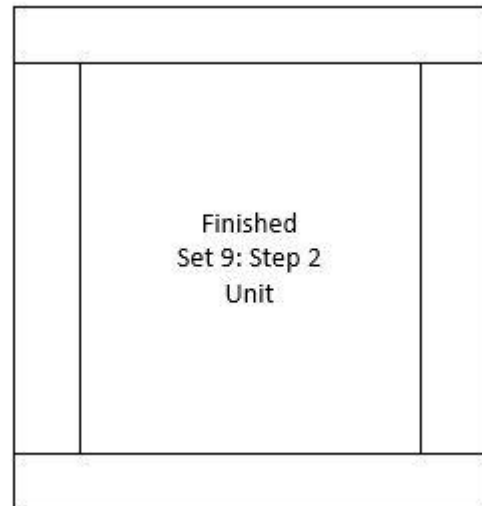

A. Using the (2) 3 ½” x 72 ½” Light strips you cut in Set 8: Step 5, arrange one on either side of your Step 2 unit.

Pin, sew, and press.

B. Using the (2) 3 ½” x 78 ½” Light strips you cut in Set 8: Step 5, arrange one on either side of your Step 3A unit.

Pin, sew, and press.
